ABOUT THE SHOW

The inaugural edition of the four day Sri Lanka Medical & Equipment Virtual Expo 2021 (SLMEVE) was held from 16th to 19th March and saw very good reception from Sri Lankan visitors and international suppliers alike.

This international matchmaking platform was conducted in association with The Ceylon Chamber of Commerce and endorsed & supported by The Sri Lanka Chamber of Medical Devices Industry and The National Chamber of Commerce of Sri Lanka along with the Federation of Indian Chambers of Commerce & Industry (FICCI).

This virtual expo was an excellent showcase for the medical equipment and healthcare technology and products industry, representing innovations in medical and healthcare products from India, Japan, China, Malaysia and Indonesia.

2020-21 was the year in which companies in the region demonstrated their agility by transforming production lines from traditional manufacturing into new age healthcare products and equipment. These factors coupled with the desire to assist countries in towards providing better health facilities for all citizens gave rise to the Sri Lanka Medical & Equipment Virtual Expo 2021.

SLMEVE successfully focused on exhibiting innovative and relevant products to build strong connections in the healthcare technology and products sector and was recognised as an event for those seeking to build strong partnerships to create high growth in this industry.

Over 2268 buyers interacted virtually with over 75 quality industry suppliers via personal video meetings and accessed the benefits of a physical trade fair from the comfort of their own locations through the Bee2Bee.asia Business Matching Platform – an exclusive online business matching platform.

With the growing demand for quality healthcare in Sri Lanka, this virtual meetings platform assisted in establishing business tie-ups between international exhibitors and business visitors from Sri Lanka and was a perfect illustration of being at the right place at the right time.

The successful edition of this show is testimony that our decades of deep industry knowledge coupled with experience in bringing together high quality exhibitors and buyers created a truly unique virtual sourcing platform which has proved to be the ideal event for both Government and Private healthcare institutions.

OPENING CEREMONY

Sri Lanka Medical & Equipment Virtual Expo was inaugurated by Chief Guest Dr. Rakesh Pandey, First Secretary (Economic and Commercial), High Commission of India, Colombo; Mr. Manjula de Silva, Secretary General and CEO of the Ceylon Chamber of Commerce; Mr. Gehan Seneviratne, Chairman of the PR Committee of the Sri Lanka Chamber of Medical Devices Industry; Mr. Pankaj Verma, Additional Director & Head – International Trade Fairs, The Federation of Indian Chambers of Commerce & Industry & Mr. Rajesh Bhagat, Managing Director, Worldex India and organiser of the Sri Lanka Medical and Equipment Virtual Expo 2021

SPEAKERS QUOTES

Dr. Rakesh Pandey

First Secretary (Economic & Commercial Wing), High Commission of India, Colombo

“India’s pharmaceuticals and cooperation in the medical sector has traditionally been a strong area of our bilateral ties. This is a very good initiative and I really look forward to Indian and Sri Lankan companies getting together and strengthening the partnership and building stronger bonds between our countries. Sri Lanka is also interested in manufacturing within the country and I will encourage Indian companies to look at the various possibilities including the manufacturing zones which will be set up by the Government of Sri Lanka and similarly, I will request Sri Lankan companies to look at utilising the capabilities and partnerships with the Indian companies in the medical sector.”

Mr. Manjula de Silva

Secretary General and CEO, Ceylon Chamber of Commerce

“This fair will go far in bridging the gap between demand and supply of high quality medical and healthcare products in Sri Lanka. The Ceylon Chamber of Commerce is pleased to support this virtual expo as it will provide increased business opportunities, joint ventures and collaborations between the Indian and Sri Lankan industries.”

“

Mr. Gehan Seneviratne

Chairman of the PR Committee, Sri Lanka Chamber of Medical Devices Industry

“We are pleased to endorse this expo which will allow Sri Lankan healthcare sector to access global suppliers on a single platform from the safety of their homes. We are confident this platform will bring new and sustainable business opportunities for Sri Lankan industry to access a large bank of globally renowned companies. Exposure to a better and more efficient technology is required for the industry to move forward as a whole and this platform looks to provide the same.”

”

“

Mr. Pankaj Verma

*Additional Director & Head – International Trade Fairs
The Federation of Indian Chambers of Commerce & Industry*

“This fair takes place at a crucial time when collaboration in the medical and healthcare sectors for the health and safety of the common man is the way ahead for a country’s people, trade and commerce. We are confident that joint ventures and business collaborations will take place here and FICCI is proud to bring high quality medical equipment manufacturers and more than 50 companies from India to this virtual expo.”

”

“

Mr. Rajesh Bhagat

*Managing Director,
Worldex India and organiser of the Sri Lanka Medical and Equipment Virtual Expo 2021*

“Realising the need for increased regional co-operation to upgrade medical and health facilities keeping in mind travel restrictions, we created a virtual platform called Bee2bee Asia which would ensure all the facilities of face to face interaction which a physical fair would provide. Whether it be video calling for face to face meetings, dropping your business card, taking a brochure from the booth, even requesting for a quote or scheduling meetings at your own convenience, we have created this virtual expo which closely mirrors a physical show. This platform has attracted leading companies from India, China, Japan and from other countries providing a vast array of medical and healthcare equipment for the Sri Lankan healthcare industry.”

”

VISITOR ANALYSIS

The Sri Lanka Medical & Equipment Virtual Expo 2021 (SLMEVE) was held from 16th to 19th March 2021 and was successful on all fronts including the number of international exhibitors and the number of visitors from both, Government and private enterprises.

Over 2268 Buyers interacted virtually with over 75 quality industry suppliers via personal video meetings. Suppliers from India, Japan, China, Malaysia and Indonesia took part making it a truly pan-Asian exhibition.

Over 53 Exhibitors from India exhibited their products as part of the 'India pavilion' formed by the Federation of Indian Chambers of Commerce & Industry (FICCI), with the support of the Ministry of Commerce and Industry, Government of India.

Adding credence to the 2021 Exhibition were the 300+ pre-fixed business meetings conducted during the course of the four days corresponding to around 75 meetings per day each comprising 30 minutes.

In fact, the number of visitors and business matching meetings proved without a doubt that the 2021 exhibition was an eagerly anticipated one. Buyers came from across Sri Lanka to pursue various inquiries. Importers, manufacturers, traders and dealers were impressed with the variety and quality of the products displayed at the show. The Industry Associations who participated at the show also felt their interest and association justified by the success of the exhibition.

To sum up, 2268+ buyers attended the Virtual Expo which comprised 75+ Exhibitors from India, Japan, China, Malaysia and Indonesia including the India Pavilion by FICCI with 53 Indian exhibitors. Over 300+ pre-fixed business meetings were conducted over four days.

BUYER TESTIMONIALS

Akram Dowd, General Manager, Premier Healthcare Pvt. Ltd.

“We found the show very good in terms of variety of products and appreciate the face to face meetings as they are leading to potential deals with exhibitors.”

Samanmalie Herath, Marketing Manager, Tas Medical Suppliers Pvt Ltd

“The pre-fixed business matching was an excellent idea, very well executed and organised. This was very helpful and we look forward to participating in more of your events.”

Dr. Ramanan, CEO, Ratnam Private Hospital Ltd.

“The business matching was so well organised, I look forward to doing business with most of the suppliers of different medical products with whom I interacted on this virtual platform.”

Aravinthan Arunthavanathan, Medical Advisor, Hemas Pharmaceuticals

“I would like to say that SLMEVE was a comprehensive fair covering a large sector of the medical and health industry which allowed us to meet quite a few exhibitors with whom we have arranged for further meetings. Thank you.”

Christopher Scherbaum, Sales Manager, Corscience GmbH & Co. KG

“The platform was very user friendly with detailed information making it easy for us to arrange meetings with the most relevant suppliers. I was impressed with the quality of the exhibitors and ease with which multiple meetings had been organised.”

R. Joseph, Manager, ABC Trade & Investments

“I, on behalf of ABC Trade and Investment thank you for supporting us for the multiple Business Matching meetings we were able to conduct. Trade promotions like this give a boost to our business and we are eager to connect with you're future trade fairs.”

R. Giridhar, MD, Geekay Pvt. Ltd.

“The platform as a whole was very good. We were hoping to meet some startups with innovative products for joint ventures. While we did find some interesting products, I believe joint ventures will happen in the future.”

EXHIBITOR TESTIMONIALS

Linlith Herman Pinto, Marketing Head, Biometric Cables

“The Business to Business Matching meetings were positive and we were pleased with the number of meetings arranged with prospective buyers for us.”

Asokane Nadaradjane, Dty. General Manager, Bharat Electronics Ltd.

“We showcased our companies’ products and generated many enquiries from Sri Lankan buyers at SLMEVE are looking forward to receive business orders from potential customers that had meetings with us at the show.”

Sunil Chiplunkar, Vice-President, Group Pharmaceuticals Ltd.

“Very dedicated organizing team and excellent follow-up. My thanks for an exceptional job done by organizers and look forward to expanding our business.”

Dr. Nikhil Dhotre, CEO, Manman Manufacturing Co. Pvt. Ltd.

“The experience was good and we look forward to many more pre-fixed business matching meetings in future events.”

Sukrutha GK, Business Development Executive, Panacea Medical Technologies Pvt. Ltd.

“Excellent effort by the team to organize the event successfully as a live event.”

Vinamra Agarwal, G Surgiwear Limited

The medical expo was good, connected with quite good suppliers. Overall the event was helpful in terms of exploring the Sri Lanka market.

Siddharth Lohriwal, Managing Director, Ecosafelinez Pvt Ltd

Good experience virtually. Looking forward for more editions in the future.

SRI LANKA MEDICAL AND EQUIPMENT VIRTUAL EXPO 2021
 16TH - 19TH MARCH 2021

Sri Lanka Medical and Equipment Virtual Expo
 Virtual Business Matching Week
 16th - 19th March, 2021

We are pleased to invite you to join India Pavilion at Sri Lanka Medical & Equipment Virtual Expo organized by Federation of Indian Chambers of Commerce and Industry (FICCI) with the support of Ministry of Commerce & Industry, Government of India. SLMEVE is endorsed and supported by The Ceylon Chamber of Commerce - Sri Lanka's oldest and apex business chamber & Sri Lanka Chamber of Medical Devices Industry (SLCMDI) - apex body that represents Sri Lanka's medical device and equipment industry.

The online international platform brings together different segments of the health and medical industry to explore new opportunities, showcase the latest products & technologies, services and facilities and leverage potential for trade and investment in Sri Lanka. The four days of virtual event will offer direct opportunity for the Indian suppliers to promote their quality products to connect with leading buyers from Sri Lanka through pre-booked business meetings and during the event.

Why Sri Lanka?

- Increasing scope for medical & healthcare industry in Sri Lanka and rising demand for quality healthcare with improving incomes and an ageing population.
- Sri Lanka has the fastest ageing population in South Asia. Population over 60 expected to double in the next 25 years, impacting Sri Lanka's health profile.
- Rapid growth in Sri Lanka's private healthcare sector due to growing middle and upper middle income classes, who look for convenience in access to healthcare supported by increasing incomes and penetration of medical insurance.
- Non-communicable diseases are on the rise due to changing lifestyles.
- With one qualified doctor for every 1,229 people and one nurse for every 473 people in the population, there is demand for better and faster diagnostic equipment.

Participating COUNTRIES

- India
- Sri Lanka
- Hong Kong
- Bangladesh
- China
- Taiwan
- Indonesia
- Pakistan
- South Korea
- Thailand
- Singapore
- and many more...

PROMOTION EXHIBITOR : TRADE PORTAL

A1 Shows

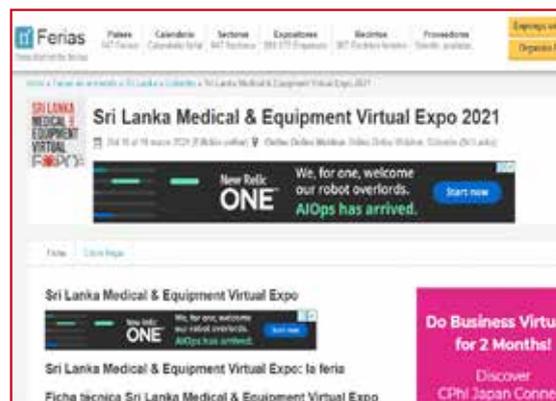

The screenshot shows the A1 Shows website interface. At the top, there is a search bar and navigation links for 'Home Shows', 'Conferences', and 'Add Event'. The main heading is 'Sri Lanka Medical & Equipment Virtual Expo' with dates '16 Mar 21 - 19 Mar 21' and location 'Virtual, Virtual, Sri Lanka'. Below this, there is a section titled 'About Sri Lanka Medical & Equipment Virtual Expo' which describes it as a virtual business matching platform. A featured article titled 'Manufacture of Anti-Viral Coat' is also visible.

Expo Book

The screenshot shows the Expo Book website. It features a navigation menu with options like 'EXHIBITORS', 'CONTACTS', 'FOR EXHIBITORS', 'FOR VISITORS', 'SPEAKERS', 'SPEAKERS', 'SPEAKERS', 'CONTACTS'. The main content area is titled 'Sri Lanka Medical & Equipment Virtual Expo 16 - 19 March 2021'. It includes a paragraph stating: 'The year 2020 has been one of increased focus on medical and healthcare. Countries across the world have realised that their healthcare systems need to be updated on a war footing. If there is one thing learnt, it is that the medical and healthcare industry needs to be ready and prepared for the future.'

nFerias.com

The screenshot shows the nFerias.com website. The main heading is 'Sri Lanka Medical & Equipment Virtual Expo 2021'. Below the heading, there is a promotional banner that says 'New Relic ONE. We, for one, welcome our robot overlords. AI Ops has arrived.' with a 'Start now' button. There are also navigation links for 'Date' and 'Event Page'. A sidebar on the right promotes 'Do Business Virtually for 2 Months!' and 'Discover CPHI Japan Connect'.

World Business Events

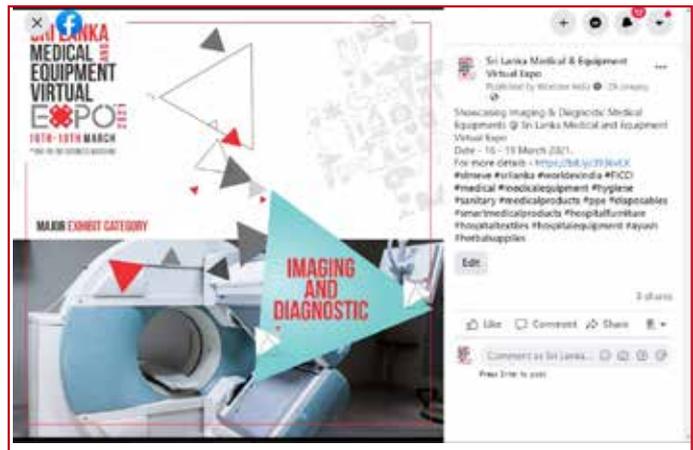

The screenshot shows the World Business Events website. The main heading is 'Sri Lanka Medical & Equipment Virtual Expo'. Below the heading, there is a description: 'Online business matching week which brings latest medical technology & innovations, healthcare & diagnostic equipment, raw material suppliers & related technology companies for the Hospital, Diagnostics, Pharmaceutical, Medical & Rehabilitation Sectors.' On the right side, there is a date selector showing '16 MAR 2021 To 19 MAR 2021'. At the bottom, there are several buttons for 'Keywords', 'Post Event Report', 'Structure', 'Rate Card', 'Gallery', and 'Organiser'.
